YOUR DAILY *ESCAPE*

Labuan Bajo - Komodo National Park

Slow Down, Sail Better.

Our Story

Born from **the sea.**

We built **ayayay** around a feeling.

The feeling of standing on an open deck as the sun sets behind Padar. The silence between waves. A crew that knows these waters by heart.

We kept the boat intimate. Twenty guests. Every stop chosen with care.

This is Labuan Bajo as it was meant to be seen.

"The kind of day you try to explain and can't."

The Difference

***The difference is felt,
not explained.***

- **20 Guests**

The maximum. Always. The space is part of the experience.

- **Indoor Lounge**

Air-conditioned. Cool down, rest, return to the deck when you're ready.

- **Outdoor Deck**

Expansive. Open sky. Designed for afternoons that don't end.

- **Dual Bathrooms**

Designed for flow. No Waiting, even at full capacity.

- **360 Horse Power Engine**

Quiet strength. Effortless at ocean.

- **4-5 Curated Destination**

Enough to explore. Never enough to rush

Curated Stops

A Considered *Journey*

minimum of 4 destinations, with more when conditions allow.
Every route is chosen for the best experience, not the most stops.

01 **Padar Island**

Volcanic ridgelines. Three bays. A panorama that rewires the brain.

02 **Pink Beach**

One of seven pink-sand beaches on earth. Coral gardens below. Silence above.

03 **Komodo/Rinca Island**

Living prehistory. A guided walk through the territory of the dragon.

04 **Taka Papagarang**

A strip of sand. Endless blue. Open Horizon. Nothing else.

(Only Available in Private Charter)

05 **Kalong Island**

At dusk, thousands of flying foxes lift over the mangroves. Cinematic. Unexpected.
